☒ Allow all apps
Users can install and use any app published by Microsoft in the Teams App store.

☒ Allow specific apps and block all others
Allow specific apps you want to allow from the store and all other ones would be blocked.

☐ Block specific apps and allow all others
Add which apps you want to block from the store and all the other ones would be allowed.

☐ Block all apps
Users can't install any apps published by Microsoft in the Teams App store.

Ensure that the Insights app is turned on for your organization. You can do this by allowing all Microsoft Apps or by adding Insights to the list of allowed Microsoft apps on the **Teams apps** page in the Teams Admin Center. **This will make sure that your employees are able to find the app in the Teams app store.**
